IDAHO CONSTITUTIONAL AMENDMENTS

S.J.R. 102

"Shall Section 5, Article X, of the Constitution of the State of Idaho be amended to provide that the state board of correction shall have the control, direction and management of adult felony probation and parole?"

- **YES**
- **NO**

LEGISLATIVE COUNCIL'S STATEMENT OF MEANING, PURPOSE AND RESULT TO BE ACCOMPLISHED

Currently, Section 5, Article X, of the Constitution of the State of Idaho provides that the Board of Correction shall have the control, direction and management of adult probation and parole. The proposed amendment would insert the word "felony" before the word "probation" and would clarify that the Board of Correction's authority is limited to the supervision and management of felony offenders. Consequently, if the proposed constitutional amendment is adopted, the Board of Correction would not have the authority to supervise or manage misdemeanor probationers. Misdemeanor probationers would continue to be supervised by Idaho counties, as is permitted by law.

H.J.R. 2aa

"Shall Article I, of the Constitution of the State of Idaho be amended by the addition of a New Section 23, to provide that the rights to hunt, fish and trap, including by the use of traditional methods, are a valued part of the heritage of the State of Idaho and shall forever be preserved for the people and managed through the laws, rules and proclamations that preserve the future of hunting, fishing and trapping; to provide that public hunting, fishing and trapping of wildlife shall be a preferred means of managing wildlife; and to provide that the rights set forth do not create a right to trespass on private property, shall not affect rights to divert, appropriate and use water, or establish any minimum amount of water in any water body, shall not lead to a diminution of other private rights, and shall not prevent the suspension or revocation, pursuant to statute enacted by the Legislature, of an individual's hunting, fishing or trapping license?"

- **YES**
- **NO**

LEGISLATIVE COUNCIL'S STATEMENT OF MEANING, PURPOSE AND RESULT TO BE ACCOMPLISHED

This proposed amendment would provide that the rights to hunt, fish and trap are a valued part of Idaho's heritage and would preserve these rights for the people of Idaho and manage these rights through the laws of the state. This amendment specifies that hunting, fishing and trapping shall be a preferred means of managing wildlife. This amendment does not create a right to trespass or affect rights to divert or appropriate water. This amendment also will not prevent the suspension or revocation of licenses issued by the state for hunting, fishing or trapping.
