OFFICIAL RECALL BALLOT

NAMPA SCHOOL BOARD TRUSTEE ZONE 2 RECALL

We, the undersigned citizens and registered electors of Nampa School District Board of Trustees Zone 2, respectfully demand that Mike Kipp, holding the office of Board of Trustee Seat of Zone 2 within the Nampa School District, be recalled by the registered electors of the Nampa School District Zone 2 for the following reasons: 1. We feel that as a Zone, we are not being represented as a majority by Mike Kipp. 2. We feel that as a group, we have not had our voices heard or represented on numerous occasions within School Board Meetings. 3. We are appreciative of his willingness to fill a vacant seat, but we now feel there is a need for an elected member rather than an appointed person of Trustee Seat in Zone 2.: with these reasons, we feel that a special election therefore be called.

Nampa School Board Trustee Mike Kipp's Statement

These are very difficult times and it is easy to be swayed by a one side or the other, particularly when one side is loudest. That is what I have attempted and will continue to avoid. Instead I will do all in my power to represent what is best for all of the Nampa School District community: all students, all teachers, all families and all employees. I will not be swayed by any single group.

My practice as your Zone 2 Trustee is to review all correspondence I receive. I have done my best to listen well to all input from teachers, students, patrons, our superintendent, other district leaders, and all relevant experts. I then seek to utilize that information in determining my vote. I do my best to weigh all the "voices" speaking into a particular issue and then vote what seems the very best way forward given that information.

As long as I hold this seat, this is the way I will conduct myself - reviewing all information and then voting what seems the best for the entire Nampa District community. For these reasons I would ask for your vote to continue to represent Zone 2. Thank You!
