## Road Name Change Application Checklist

The following list details items that must be submitted with your Master Application.

<input type="checkbox"/> Master Application completed and signed
<input type="checkbox"/> Detailed letter fully describing the proposal, address specific issues concerns, include justifications
<input type="checkbox"/> Include any additional documentation, evidence
<input type="checkbox"/> Fees

### Notes:

If the detailed letter is not complete or is insufficient to evaluate the request a revised version may be required.

Additional studies and information may be required to fully understand the impacts to things such as traffic, the environment, economics and surrounding properties.
