Suggestions for Testifying at the Public Hearing:

Be informed . . .

Review the proposal, the staff report, applicable provisions of the ordinance and comprehensive plan. Learn the criteria used to consider the proposal's merits, or other pertinent material.

Be on time . . .

Although the item you are interested in may not be first on the agenda, you never know when it will be heard. The governing body has authority to adjust the schedule according to its discretion. Thus, anticipate attending from the beginning.

Speak to the point . . .

*The governing body appreciates pertinent, well organized, and concise comments. Redundant testimony is prohibited and **each** individual is given **3** minutes to comment. Long stories, abstract complaints, or generalities may not be the best use of time. Neighborhood groups are encouraged to organize testimony and have one person speak on behalf of the group -- "opposition representative," like the applicant's representative, receives **10** minutes to make comments. Applicant has **5** minutes to rebut or discuss issues raised by any opposition.*
