RE: Information for FY2018 Canyon County Jail Finance and Construction Research Project

Dear Respondents,

Thank you for submitting Information Packages in response to the above-entitled RFI. Your materials have been distributed to County stakeholders, including the County Commissioners, Sheriff, and other independent officials, for review and consideration. An open meeting has been tentatively set for later this spring for the County to discuss the project status and its various options. I expect the RFI responses to help inform that discussion, and it is possible that additional information will be solicited from you or other formal process thereafter initiated.

On behalf of the County, thank you very much for your thoughtful participation in our process.

Cordially,

Samuel B. Laugheed  
Chief Civil Deputy
