

NOTICE OF SOLE SOURCE PROCUREMENT

Pursuant to Idaho Code Section 67-2808(2), Canyon County hereby provides notice that it intends to obtain by sole source procurement twenty (20) 24' x 15' sections of Bull Litter Fence with Canopy from Metta Technologies in the amount of approximately \$93,500.00, plus \$11,896.00 shipping, for use at the Pickles Butte Sanitary Landfill. The Board of County Commissioners declares, after due diligence, that there is only one (1) vendor for this equipment, because only one (1) source of the equipment is reasonably available for the following reasons: 1) compatibility with existing equipment is a paramount consideration and while alternative fencing may be comparable, it is not assured to be compatible; 2) County has obtained pricing from alternative fencing manufacturer and it is more expensive; and 3) such further competitive solicitation would be impractical, disadvantageous or unreasonable under the circumstances. The Board intends to consider executing this purchase after taking comment on the record on **December 2, 2019 at 9:00 a.m.**, in the Commissioners' meeting room located on the first floor of the Canyon County Courthouse, 1115 Albany Street, Caldwell, ID, 83605. Written comments regarding such proposed sole source procurement may be directed to the Board at the same address.
