Plat Room Procedures

*Due to safety concerns for all parties involved, the Plat Room has modified the procedures for subdivision submittal as well as review time. The subdivision plats submitted for checking must now be digital for all reviews until final digital approval and then the Mylar can be submitted for the final check and Treasurer's signature. Digital files can be mailed in on a cd or emailed in. The Plat Room now requires 4 business days for review time since staff schedules have been modified.

For any additional questions, please contact DeAnn Gerthung at 208-454-6630 or dgerthung@canyonco.org
